Byrne, Andrew 9:26 AM:

Hey Will - checking in on TPs for Scott for Wednesday, Felicia's past email indicated she wanted me to assist in finalizing as needed and sending up for final approval

Byrne, Andrew 9:26 AM:

Since the event is Wednesday, would be good to get those cleared and to Scott today, if possible

Byrne, Andrew 9:27 AM:

Let's touch base when you have a minute, hope you had a nice weekend

Post, William 9:28 AM:

yes, working on them. I know Felicia wanted them by cob today, so was aiming to get a draft done by noon

Byrne, Andrew 9:29 AM:

Excellent. And you'd send to me at that time, I'd review them, then you'd send to Felicia? That works well for me

Post, William 11:45 AM:

i'm aiming to get these to you around 12:30. had to deal with b.s. w/ my kid's homeschool teacher.

Byrne, Andrew 11:45 AM:

Byrne, Andrew 2:21 PM:

Byrne, Andrew 2:21 PM:
